## Regulatory Information

## TURKISH WEEE Statement of Compliance

EEE Yönetmeliğine Uygundur

### Regulatory Information

This device is approved under ProClip USA, Inc.  
This guide applies to the following Model Number: 945081, 945082.  
All ProClip devices are designed to be compliant with the rules and regulations in the locations they are sold and will be labeled as required.  
Local language translations are available at the following website: <http://www.proclipusa.com/targetsections/regulatoryinfo.aspx>  
Any changes or modifications to ProClip equipment not expressly approved by ProClip could void the user's authority to operate the equipment.

For use only with ProClip approved and UL Listed mobile computers.

### Radio Frequency Interference Requirements- FCC

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

### Radio Transmitters (Part 15)

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received including interference that may cause undesired operation.

### Radio Frequency Interference Requirements- Canada

CAN ICES-3 (B)/NMB-3(B)CE Marking and European Economic Area (EEA)

### Statement of Compliance

ProClip USA hereby declares that this device is in compliance with all applicable Directives, 2014/30/EU, 2014/35/EU and 2011/65/EU. The full text of the EU Declaration of Conformity is available at the following internet address: [http://www.proclipusa.net/media/documents/pdf/3PTY-PCLIP-945082\\_DoC\\_EU\\_RevA.pdf](http://www.proclipusa.net/media/documents/pdf/3PTY-PCLIP-945082_DoC_EU_RevA.pdf)

### Japan (VCCI) - Voluntary Control Council for Interference Class B ITE

この装置は、クラスB情報技術装置です。この装置は、家庭環境で使用することを目的としていますが、この装置がラジオやテレビジョン受信機に近接して使用されると、受信障害を引き起こすことがあります。取扱説明書に従って正しい取り扱いをして下さい。 VCCI-B
